INDUSTRIES INDIA PVT. LTD.

An independent family run business.

A name to reckon with in the field of control panel accessories, hinges, locks, latches, handles, aluminum extrusion support arm system HMI.

There are various types of products which we manufacture:

- Control panel Door Locks, Latches, Concealed Hinges, Leveling base, Handle, Knobs.
- Aluminum Extrusions
- Aluminum Extrusion Fitting i.e. Angle Bracket, T slot nut, Profile Cover, Leveling Base, End Cap.
- Customized enclosure, Made in Aluminum Extrusion, Stainless Steel.
- Assembly Work station, Inspection table, Testing table.
- SPM, Partition.
- Machining components as per drawing.

We have determination & foresight to offer a wide range of high quality accessories to Control Panel & machine manufacturers. We at RSV ensure that all product are produced from High quality steel, plastic, zinc and non-ferrous metal. We have made an effort to enhance the aesthetic of our accessories, thereby improving the aesthetic of the end product.

All our products are confirmed to the highest international standards & designs from time to time.

We make sure we adapt our products to the changing trends & technologies to suit our customers Growing needs.

RSV have everything you need to search for an industrial product for your company.
